DEAR COLLEAGUE,

AGENDA

Jackson Heart Clinic and St. Dominic Hospital would like to invite you to join us for the Cardiovascular Update 2011 at the Alluvian Hotel in Greenwood, MS on the weekend of September 30 - October 1. We will begin with a welcome reception on Friday evening followed by the CME program on Saturday.

The purpose of this event is to update primary care physicians and nurse practitioners on the latest guidelines regarding diagnosis and treatment of a variety of cardiovascular disease topics. I know you are well aware of the dismal statistics regarding heart disease in Mississippi. It is our hope that with programs like this and in partnership with area physicians, we can improve both the quality of care and the quality of life of our patients who suffer from cardiovascular disease.

This event is complimentary; however, rooms and activities outside the conference will be at the participant's expense. We have reserved a block of rooms at the Alluvian at a rate of \$185 per night. The reservation deadline is Thursday, September 1st. Space is limited, so I urge you to make your reservation now. Call (662) 453-2114 and mention Jackson Heart Clinic as the group name to make your arrangements.

My partners and I hope you will join us for this event that will not only be educational but also entertaining. Please mark your calendars now for September 30th and October 1st and make plans to attend. We look forward to seeing you there.

Sincerely,

R. Harper Stone, M.D.

ACCREDITATION

St. Dominic Hospital designates this live activity for a maximum of 6 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation.

This Live activity, Cardiovascular Update 2011, with a beginning date of October 1, 2011, has been reviewed and is acceptable for up to 5.75 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
